Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 25 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and scattered showers on Monday.

This Evening and Tonight:
Remaining dry across the region with sunny spells into the evening, however patchy cloud persisting longest in the east. Another warm night with light winds and plenty of clear skies. Minimum temperature 13 deg C (55 deg F).

Monday:
A dry start with sunny spells. Scattered showers, locally heavy, developing into the afternoon and turning cloudier across Cornwall later. Feeling very warm with light winds. Maximum temperature 27 deg C (81 deg F).

Outlook for Tuesday to Thursday:
Unsettled throughout this period with sunny spells and heavy showers and at times longer spells of rain. Showers perhaps thundery with hail. Becoming windier as temperatures fall away.
